*"For we walk by faith not by sight"*

July  
2020

We are meeting Sunday Morning's for church! Please join us if you feel comfortable! The service will begin at 10:45 a.m. as usual. This week (June 28th) we are asking that everyone with last names beginning A-J meet in the Multi-purpose Room, and everyone with last names beginning K-Z meet at the Solid Rock Youth Center. We will rotate these locations and last names on a **WEEKLY** basis, so no one has to watch the video every week. However if you need hearing assisted devices, you are welcome to meet at the Multi-Purpose Room each week. If you don't feel comfortable in coming, you can still listen to the service online. If you are **showing signs of any sickness, or just not feeling quite right**, please stay home. Let's not risk infecting others unnecessarily (remember, we are called to love each other)

## Church in the Park July 19th

From its formation in 2003, Ernie Haase has built Signature Sound into one of the most popular and beloved quartets in all of Southern Gospel music. The group has traveled all over the world, offering energy, excitement and encouragement through its powerful brand of gospel music and unmistakable four-part harmonies.

EHSS is one of the most celebrated quartets in Southern Gospel History mentioned alongside names such as **The Statesmen Quartet** and **The Cathedral Quartet**. They will be singing Sunday morning, July 19<sup>th</sup>, at 10 AM at Ford Park. Invite your friends and neighbors, bring something to sit on and enjoy one of the most popular and beloved quartets in all of Southern Gospel music.

*Due to COVID19, we will not be serving the Bar B Q lunch as we normally have in the past, and we ask that you exercise social distancing when sitting in the park. But it will be a great time together, and we look forward to what the Lord is going to do.*

**BAPTISM:**

The Baptism will be July 26, 2020. The Baptismal Candidates are Brady Sidak and Maggie McIntire.

We will have the baptism here at the church like we did last year, but stay tuned for how we are going to handle the breakfast. With COVID19 we will have to do things a little differently 😊!

**ALL HANDS NEEDED:** Kenny and Laurel Wettlaufer are donating mulch for all the plants around the church. But, they are needing some people to help spread it! We will announce the evening on the prayer chain, and we will provide pizza and pop for supper for those who come to help. Tentatively, we will do it sometime the week of June 29<sup>th</sup>. If you aren't on the prayer chain and would like to help, you can call the church 402-336-3263 the week of June 29<sup>th</sup> to find out when we are doing this project!

Summer greetings! I wish I could say "Hope you are enjoying family gatherings, ball games, and time at the pool!" Instead "I hope you are still getting along with each other, finding creative new games to play, and at least going on walks or bike rides." I am anxious to see what we will have learned when this is all over!

Awana spent March and April online. My family helped to broadcast on Facebook each Wednesday night, with Christy Meyer as our

special Easter Message guest during Holy Week. A link was also available to watch each episode on

YouTube. Children also still said verses. Some called our verse listeners, some posted on Facebook, or found other creative ways to get their verses done. Thank you to all the parents who still made learning verses a priority, and thank you to all who watched our Facebook Live broadcasts.

It was a fun way to still stay engaged and "together." We are currently planning and praying for a "normal" year of Awana next year. However, as with everything else currently, our plans need to be fluid. We will keep you informed as soon as we know any information. Finally, I want to thank each and every person who volunteered to help on Wednesday nights. It is a big job, but is made

so much easier with the wonderful, dedicated volunteers we are lucky enough to have here. Please stay safe and wash your hands!~~~**Lisa Cook**~~~
